Born in 1925 in Montreal, Canada, Roger Morneau was raised in a Roman Catholic family with strong religious values. His early years were marked by a sincere devotion to faith and a desire to lead a morally upright life.

As a young man, Morneau became involved in the business community, working tirelessly to

This group promised power, wealth, and influence through secret rituals and spiritual pacts?an experience that would serve as a pivotal point in his life.

The Encounter with the Occult: A Dangerous Path

The Temptation and the Deal

Morneau?s first brush with the supernatural came through an invitation from a clandestine group that sought to harness supernatural forces for personal gain. Drawn by curiosity and the allure of power, he attended their meetings. These gatherings involved rituals, incantations, and the invocation of spirits that purportedly could grant material success and influence.

The group?s leaders claimed to possess supernatural knowledge and promised Morneau that he too could access these powers if he agreed to certain ?spiritual contracts.? The allure of wealth and influence was tempting, especially amid post-war economic uncertainties.
